# ABOUT US

Hi there, I'm so happy that you're interested in having us be a part of your day. I just wanted to give you a little background about us and give you an idea of what working with us will look like!

I started 47 Filmworks right out of high school and a wedding was my first gig. So, weddings hold a very special place in my heart. I've been able to meet some of the nicest people and it definitely produces the most smiles out of any work that we do.

I've come to understand that this whole process of planning your wedding and choosing vendors can be extremely stressful and overwhelming. I want to make this whole thing as stress free for you as possible and continue that all the way through the wedding day. We're going to be as flexible as possible and always aim to exceed your expectations.

So if you have any questions, send a message and I'll get back to you as soon as I can.

Really looking forward to meeting you,

-Jacob

# *F A Q ' S*

## *How do we reserve a date?*

Reach out to us using our contact form and we can set up a time to meet up. This gives you an opportunity to decide whether we're the right fit. If you decide to go with us, a \$500 deposit is required to hold the date. The rest is due two weeks before your wedding day. Both can be made via E-Transfer.

## *Do you charge for mileage?*

We charge \$0.70/km outside of Winnipeg's perimeter round trip.

## *Is the deposit refundable?*

Sadly, no. This is because we have to turn down other work on that day, which we could have booked otherwise.

## *Do the prices include tax?*

Our prices do not include tax, which means GST and PST will be added to the final amount.

## *Can we choose our own music?*

You sure can, as long as a license is easily attainable. This usually comes at an extra charge. We have a large library of music that we can use to match your tastes which is included in the packages.

## *When should we book?*

We usually book a year in advance, but contact us and we'll let you know if we're available for your date.

## *Are you open to travel for our wedding?*

Absolutely! We love travelling and would be honoured to accompany you on your travels.

## *How many photos do we receive?*

Every wedding is different, but it is usually around 50-80 photos per hour.

## *How long do you take to deliver?*

We want to put the work into your film that it deserves and don't want to rush the process. You can expect your photos and films in 12 weeks, if not sooner.
